Re: Severe et al. v. Precision Pipeline Solutions, LLC, Case No. 20-cv-281 (KPF)

Dear Judge Failla:

This firm represents Named Plaintiffs and the putative class in the above-referenced matter. I write to request an adjournment of the pre-motion conference currently scheduled for February 26, 2020. This is the first request for adjournment of this conference. I request this adjournment as I learned today that my wife will be undergoing a cesarean delivery on Sunday, February 16, 2020; accordingly, I will be unavailable to appear in court prior to the week of March 9, 2020. I would be available any day that week excepting Friday, March 13. Defendants have graciously consented to this request for an adjournment.

Respectfully submitted,

_____/s/_____
James Emmet Murphy

Application GRANTED. The premotion conference previously scheduled for February 26, 2020, is hereby ADJOURNED. The Court will hold the premotion conference on **March 11, 2020, at 4:00 p.m.**, the date and time it had scheduled for the initial pretrial conference. (See Dkt. #10). At that conference, the Court will address both Defendant's anticipated motion to dismiss the complaint and Plaintiffs' anticipated motion to remand.

SO ORDERED.
